PICTURE OF HEALTH FOUNDATION, INC.

Picture of Health Foundation (POHF), Inc.

Mission:

The Picture of Health Foundation (POHF), Inc. mission is to provide the community with health education and empower people to alter unhealthy lifestyles, thus increasing both life expectancy and quality. By educating the community on healthier lifestyle practices, it is the intent of the Picture of Health Foundation to reduce the ravages of obesity, heart disease, cancers and other lifestyle or self-inflicted disorders.

Vision:

Changing unhealthy lifestyles and environments through education, as well as medical outreach.

Calendar of Events – 2018

Christmas in February

Throughout the ENTIRE month of February, both the Picture of Health Foundation and 7 Bridges to Recovery Organization hosted a give-away event for our young patients.

Children under the age of 16 were allowed to select a pre-wrapped item, which they were gifted with as their Christmas in February present from POHF. We requested their picture to be displayed on our websites and social media pages.

Date(s) & Location(s): February 1st – 28th – ANWAN Wellness Medical Center PC (Tucker & Hapeville Clinics)

Optimum Wellness Seminar(s)

Hosted on-site and at local churches by the Picture of Health Foundation, Inc, these catered 2-hour presentations entitled “How To Experience Optimum Wellness As We Age” were donated to the local community and conducted by our Founder and Medical Director, Dr. Donovan Christie, MD. The first lecture-hour is dedicated to female health and wellness and the second targets males. Replete with concise medical information and cutting-edge treatment options, guests interact with and have their questions answered directly by Dr. Christie.

Date(s) & Location(s): ANWAN Regenerative Center, at Tucker, Georgia; Legacy Church, Suwannee

Health Awareness Health Fair(s)

POHF will collaborate with our community partners and stakeholders to conduct health fairs in 2018, which will primarily focus on increasing health awareness, addressing health disparities, as well as providing prevention services. Each event will target specific health-related initiatives that will decrease health inequalities and increase health equity. Community collaboration is imperative, therefore, POHF will partner with vendors & merchants, board members & staff, county & state government officials, as well as with other medical providers in our areas to ensure success in each event.

Date(s) & Location(s): Quarterly; Local Region

Thus Far July 2018 Legacy Church Atlanta 6 week fitness Challenge/Health Fair
Facebook Live- weekly health/fitness talk

Local Community Mission/Outreach Services

The POHF will partner with local Atlanta-based organizations, along with the use of a medical mobile unit, to provide medical services to the underserved populations in our community. In doing so, we will decrease health disparities and promote health awareness by teaching prevention measures.

Location Local: Homeless Shelter- 7 Bridges To Recovery, Atlanta, Georgia

International Community/Outreach Services

Our goal here is to partner with local entities that have ties with non-governmental organizations in developing countries, which would serve to provide medical care targeted at reducing childhood mortality in these regions. Through short-term medical mission trips, we are able to help treat chronic illnesses endemic conditions such as Malaria, Typhoid, and parasitic infections with medicine donated from sponsoring pharmaceutical companies operating in the United States.

Date & Location for International: July 6 – July 15 2017; Lagos, Nigeria, Africa(Completed)

General Mission Details: Collaboration with: West Africa Theological Seminary (WATS)

April 19 – April 28; Kaolack, Senegal, Africa (Completed)

Spring/Summer 2019; Capetown, South Africa

Serving the: Underdeveloped areas of West Africa, South America and the Caribbean

Health Concerns are: Typhoid, Malaria, Hypertension and Diabetes

Annual Black-Tie Gala

Our primary goal is to support wellness in our local communities through prevention education and encouragement of healthier lifestyle practices. Our secondary goal is to partner with local entities that have ties with foreign, non-governmental, organizations for the purpose of fostering relations with those countries that earnestly require medical outreach services. Once achieved, we implement short-term medical mission-style trips, which enable POHF to educate and treat endemic conditions such as Malaria, Typhoid, and other parasitic infections with medicine from the United States.

Date & Location: 2017 Signature Ballroom, Suwannee, Georgia

2018: La Mansion Events, Chamblee, Georgia

2019: TBA

Family 5K Bubble Run & Walk

This event has a dual purpose. Our first goal is to involve several hundreds of our youth and families to participate in the 5K Bubble Run & Walk, as well as encourage regular physical activity. Our second goal is raising funds that will ensure the continuity of our free seminars, health fairs and events.

Date & Location:

Saturday September 22nd; Tucker High School

(UPCOMING)

Reflection & Development

This is an end-of-the-year opportunity hosted by POHF to show appreciation to the board members, patient/clients, community partners and others that were involved in the year's activities and events. This occasion will also serve as a recap of all 2018 events... successes and challenges as well as address the need(s) for the coming year.

Date & Location: To be decided; ANWAN Regenerative Center, at Tucker, Georgia
