PICTURE OF HEALTH FOUNDATION, INC.

Picture of Health Foundation (POHF), Inc.

Mission:

The Picture of Health Foundation (POHF), Inc. mission is to provide the community with health education and empower people to alter unhealthy lifestyles, thus increasing both life expectancy and quality. By educating the community on healthier lifestyle practices, it is the intent of the Picture of Health Foundation to reduce the ravages of obesity, heart disease, cancer and other lifestyle or self-inflicted disorders.

Vision:

Changing unhealthy lifestyles and environment through education, as well as medical outreach.

Calendar of Events – 2019

Christmas Toy Giveaway

Throughout the ENTIRE month of December, both the Picture of Health Foundation and 7 Bridges to Recovery Organization will be hosting a give-away event for our young patients, as well as our patient's children who accompany them on their visit.

Children under the age of 16 will be allowed to select a pre-wrapped item, which they can take as their Christmas present from us. We will request their picture to display on our websites and social media pages.

Date(s) & Location(s): December 1st – 31st; ANWAN Wellness Medical Center PC (Tucker & Hapeville Clinics)

Optimum Wellness Seminar(s)

Hosted on-site by the Picture of Health Foundation, Inc, these catered 2-hour presentations entitled "How To Experience Optimum Wellness As We Age" are donated to the local community and conducted by our Founder and Medical Director, Dr. Donovan Christie, MD. The first lecture-hour is dedicated to female health and wellness and the second targets males. Replete with concise medical information and cutting-edge treatment options, guests interact with and have their questions answered directly by Dr. Christie. Additionally, there will be other seminars with other speakers that will lecture relevant to their specialties in order to benefit the people in our local communities.

Date(s) & Location(s): ANWAN Regenerative Center, at Tucker, Georgia; and Locations Per Request

Health Awareness Health Fair(s)

POHF will collaborate with our community partners and stakeholders to conduct health fairs in 2019, which will primarily focus on increasing health awareness, addressing health disparities, as well as providing prevention services. Each event will target specific health-related initiatives that will decrease health inequalities and increase health equity. Community collaboration is imperative, therefore, POHF will partner with vendors & merchants, board members & staff, county & state government officials, as well as with other medical providers in our areas to ensure success in each event.

Date(s) & Location(s): Quarterly; Local Region Per Request

Local Community Mission/Outreach Services

The POHF will partner with local Atlanta-based organizations, along with the use of a medical mobile unit, to provide medical services to the under-served populations in our community. In doing so, we will decrease health disparities and promote health awareness by teaching prevention measures.

Date(s) & Location(s) for Local: Not Yet Decided; 7 Bridges To Recovery, Atlanta, Georgia

International Community/Outreach Services

Our goal here is to partner with local entities that have ties with non-governmental organizations in developing countries, which would serve to provide medical care targeted at reducing childhood mortality in these regions. Through short-term medical mission trips, we are able to help treat chronic illnesses endemic conditions such as Malaria, Typhoid, and parasitic infections with medicine donated from sponsoring pharmaceutical companies operating in the United States.

*Date & Location for **International**:* Oct 10th – Oct 19th; Uganda, Africa

General Mission Details:

Collaboration with Dr. Sanyu Falidi Project (Clinic)

MAJOR Health Concerns are Malaria, Lower Respiratory Infection, Hypertension, Diabetes, HIV, Cancer, Ischemic Heart Disease, Sepsis, Protein-Energy Malnutrition and Birth Complications.

Annual Black-Tie Gala

Our primary goal is to support wellness in our local communities through prevention education and encouragement of healthier lifestyle practices. Our secondary goal is to partner with local entities that have ties with foreign, non-governmental, organizations for the purpose of fostering relations with those countries that earnestly require medical outreach services. Once achieved, we implement short-term medical mission-style trips, which enable POHF to educate and treat endemic conditions such as Malaria, Typhoid, and other parasitic infections with medicine from the United States.

Date & Location: Saturday September 7th; La Mansion, 5522 New Peachtree Rd, Chamblee, GA

Adult/Children's Wellness 5K Bubble Run & Walk

This event has a dual purpose. Our first goal is to involve several hundreds of our youth to participate in the 5K Bubble Run & Walk, as well as encourage regular physical activity among adults and children alike. Our second goal is raising funds that will ensure the continuity of our free seminars, health fairs and events.

Date & Location: Monday, Labor Day; September 2nd; Tucker, Georgia

Reflection & Development

This is an end-of-the-year opportunity hosted by POHF to show appreciation to the board members, patient/clients, community partners and others that were involved in the year's activities and events. This occasion will also serve as a recap of all 2019 events... successes and challenges as well as address the need(s) for the coming year.

Date & Location: December; ANWAN Regenerative Center, at Tucker, Georgia
